Description

Comfortable full-leather Talma shoes with shoe laces will spoil your childrens feet at every step. Due to the following parameters these shoes are also suitable for kids who are learning to walk.

Parameters

- anatomically shaped detachable leather insole
- soft-sided flexible sole supporting natural rolling of the foot
- Lifted toe which prevents tripping
- shoe-lace fastening
- padding in the heel area

The use of certified natural materials ensures the health safety of this footwear. Health and safety conscious footwear PROTETIKA also assists proper body posture and a child's overall harmonious development.
